Specific Audit Approach

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

AUDIT APPROACH

Grau's Understanding of Work Product / Scope of Services:

We recognize the District is an important entity and we are confident our firm is eminently qualified to meet the challenges of this engagement and deliver quality audit services. ***You would be a valued client of our firm and we pledge to commit all firm resources to provide the level and quality of services (as described below) which not only meet the requirements set forth in the RFP but will exceed those expectations.*** Grau & Associates fully understands the scope of professional services and work products requested. Our audit will follow the Auditing Standards of the AICPA, *Generally Accepted Government Auditing Standards*, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida and any other applicable Federal, State or Local regulations. **We will deliver our reports in accordance with your requirements.**

Proposed segmentation of the engagement

Our approach to the audit engagement is a risk-based approach which integrates the best of traditional auditing techniques and a total systems concept to enable the team to conduct a more efficient and effective audit. The audit will be conducted in three phases, which are as follows:

Phase I - Preliminary Planning

A thorough understanding of your organization, service objectives and operating environment is essential for the development of an audit plan and for an efficient, cost-effective audit. During this phase, we will meet with appropriate personnel to obtain and document our understanding of your operations and service objectives and, at the same time, give you the opportunity to express your expectations with respect to the services that we will provide. Our work effort will be coordinated so that there will be minimal disruption to your staff.

During this phase we will perform the following activities:

- » Review the regulatory, statutory and compliance requirements. This will include a review of applicable federal and state statutes, resolutions, bond documents, contracts, and other agreements;
- » Read minutes of meetings;
- » Review major sources of information such as budgets, organization charts, procedures, manuals, financial systems, and management information systems;
- » Obtain an understanding of fraud detection and prevention systems;
- » Obtain and document an understanding of internal control, including knowledge about the design of relevant policies, procedures, and records, and whether they have been placed in operation;
- » Assess risk and determine what controls we are to rely upon and what tests we are going to perform and perform test of controls;
- » Develop audit programs to incorporate the consideration of financial statement assertions, specific audit objectives, and appropriate audit procedures to achieve the specified objectives;
- » Discuss and resolve any accounting, auditing and reporting matters which have been identified.

Phase II – Execution of Audit Plan

The audit team will complete a major portion of transaction testing and audit requirements during this phase. The procedures performed during this period will enable us to identify any matter that may impact the completion of our work or require the attention of management. Tasks to be performed in Phase II include, but are not limited to the following:

- » Apply analytical procedures to further assist in the determination of the nature, timing, and extent of auditing procedures used to obtain evidential matter for specific account balances or classes of transactions;
- » Perform tests of account balances and transactions through sampling, vouching, confirmation and other analytical procedures; and
- » Perform tests of compliance.

Phase III - Completion and Delivery

In this phase of the audit, we will complete the tasks related to year-end balances and financial reporting. All reports will be reviewed with management before issuance, and the partners will be available to meet and discuss our report and address any questions. Tasks to be performed in Phase III include, but are not limited to the following:

- » Perform final analytical procedures;
- » Review information and make inquiries for subsequent events; and
- » Meeting with Management to discuss preparation of draft financial statements and any potential findings or recommendations.

You should expect more from your accounting firm than a signature in your annual financial report. Our concept of truly responsive professional service emphasizes taking an active interest in the issues of concern to our clients and serving as an effective resource in dealing with those issues. In following this approach, we not only audit financial information with hindsight but also consider the foresight you apply in managing operations.

Application of this approach in developing our management letter is particularly important given the increasing financial pressures and public scrutiny facing today's public officials. We will prepare the management letter at the completion of our final procedures.

In preparing this management letter, we will initially review any draft comments or recommendations with management. In addition, we will take necessary steps to ensure that matters are communicated to those charged with governance.

In addition to communicating any recommendations, we will also communicate the following, if any:

- » Significant audit adjustments;
- » Significant deficiencies or material weaknesses;
- » Disagreements with management; and
- » Difficulties encountered in performing the audit.

Our findings will contain a statement of condition describing the situation and the area that needs strengthening, what should be corrected and why. Our suggestions will withstand the basic tests of corrective action:

To assure full agreement with facts and circumstances, we will fully discuss each item with Management prior to the final exit conference. This policy means there will be no “surprises” in the management letter and fosters a professional, cooperative atmosphere.

Communications

We emphasize a continuous, year-round dialogue between the District and our management team. We regularly communicate through personal telephone calls and electronic mail throughout the audit and on a regular basis.

Our clients have the ability to transmit information to us on our secure client portal with the ability to assign different staff with separate log on and viewing capability. This further facilitates efficiency as all assigned users receive electronic mail notification as soon as new information has been posted into the portal.

Cost of Services

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

Our proposed all-inclusive fees for the financial audit for the fiscal years ended September 30, 2026-2030 are as follows:

<u>Year Ended September 30,</u>	<u>Fee</u>
2026	\$3,600
2027	\$3,700
2028	\$3,800
2029	\$3,900
2030	<u>\$4,000</u>
TOTAL (2026-2030)	<u>\$19,000</u>

The above fees are based on the assumption that the District maintains its current level of operations. Should conditions change or Bonds are issued the fees would be adjusted accordingly upon approval from all parties concerned. If Bonds are issued the fee would increase by \$1,500. The fee for subsequent annual renewals would be agreed upon separately.

PROFILE OF THE PROPOSER

Description and History of Audit Firm

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL is a Treasure Coast public accounting firm, which qualifies as a small business firm, as established by the Small Business Administration (13 CFR 121.38), with offices in Fort Pierce and Stuart. We are a member of the Florida Institute of Certified Public Accountants and the American Institute of Certified Public Accountants. The firm was formed from the merger of Edwards, Berger, Harris & Company (originated in 1972) and McAlpin, Curtis & Associates (originated in 1949). J. W. Gaines and Associates (originated in 1979) merged with the firm in 2004. Our tremendous growth rate experienced over the last 70 years is directly attributable to the firm's unrelenting dedication to providing the highest quality, responsive professional services attainable to its clients.

We are a member of the Private Companies Practice Section (PCPS) of the American Institute of Certified Public Accountants (AICPA) to assure we meet the highest standards. Membership in this practice section requires that our firm meet more stringent standards than standard AICPA membership. These rigorous requirements include the requirement of a triennial peer review of our firm's auditing and accounting practice and annual Continuing Professional Education (CPE) for all accounting staff (whether CPA or non-CPA). For standard AICPA membership, only a quality review is required and only CPAs must meet CPE requirements.

We are also a member of the Government Audit Quality Center ("the Center") of the American Institute of Certified Public Accountants to assure the quality of our government audits. Membership in the Center, which is voluntary, requires our firm to comply with additional standards to promote the quality of government audits.

We have been extensively involved in serving local government entities with professional accounting, auditing and consulting services throughout the entire history of our firm. Our substantial experience over the years makes us uniquely qualified to provide accounting, auditing, and consulting services to these clients. We are a recognized leader in providing services to governmental and nonprofit agencies on the Treasure Coast and in Central and South Florida, with extensive experience in auditing community development districts and water control districts. We were the independent auditors of the City of Fort Pierce for over 37 years and for St. Lucie County for over 34 years. Additionally, we have performed audits of the City of Stuart, the City of Vero Beach, Indian River County and Martin County. We also presently audit over 100 Community Development Districts throughout Florida.

Our firm was founded on the belief that we are better able to respond to our clients needs through education, experience, independence, quality control, and personal service. Our firm's commitment to quality is reflected in our endeavor of professional excellence via continuing education, the use of the latest computer technology, professional membership in PCPS and peer review.

We believe our approach to audit engagements, intelligence and innovation teamed with sound professional judgment enables us to explore new concepts while remaining sensitive to the fundamental need for practical solutions. We take pride in giving you the assurance that the personal assistance you receive comes from years of advanced training, technical experience and financial acumen.

Professional Staff Resources

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL has a total of 32 professional and administrative staff (including 12 professional staff with extensive experience servicing government entities). The work will be performed out of our Fort Pierce office with a proposed staff of one senior accountant and one or two staff accountants supervised by an audit manager and audit partner. With the exception of the directors of the firm's offices, the professional staff is not specifically assigned to any of our individual offices. The professional and administrative staff resources available to you through Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL are as follows:

	<u>Total</u>
Partners/Directors (CPA's)	7
Managers (1 CPA)	2
Senior/Supervisor Accountants (1 CPA)	3
Staff Accountants	8
Paraprofessional	6
Administrative	<u>6</u>
Total – all personnel	32

Following is a brief description of each employee classification:

Staff Accountant – Staff accountants work directly under the constant supervision of the auditor-in-charge and, are responsible for the various testing of documents, account analysis and any other duties as his/her supervisor believes appropriate. Minimum qualification for a staff accountant is graduation from an accredited university or college with a degree in accounting or equivalent.

Senior Accountant – A senior accountant must possess all the qualifications of the staff accountant, in addition to being able to draft the necessary reports and financial statements, and supervise other staff accountants when necessary.

Managers – A manager must possess the qualifications of the senior accountant, plus be able to work without extensive supervision from the auditor-in-charge. The manager should be able to draft audit reports from start to finish and to supervise the audit team, if necessary.

Partner/Director – The director has extensive governmental auditing experience and acts as the auditor-in-charge. Directors have a financial interest in the firm.

Professional Staff Resources (Continued)

Independence – Independence of the public accounting firm, with respect to the audit client, is the foundation from which the public gains its trust in the opinion issued by the public accounting firm at the end of the audit process. This independence must be in appearance as well as in fact. The public must perceive that the accounting firm is independent of the audit entity to ensure that nothing would compromise the opinion issued by the public accounting firm. **Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL** is independent of Turnbull Creek Community Development District, including its elected officials and related parties, at the date of this proposal, as defined by the following rules, regulations, and standards:

Au-C Section 220 – Statements on Auditing Standards issued by the American Institute of Certified Public Accountants;

ET Sections 101 and 102 – Code of Professional Conduct of the American Institute of Certified Public Accountants;

Chapter 21A-1, Florida Administrative Code;

Section 473.315, Florida Statutes; and,

Government Auditing Standards, issued by the Comptroller General of the United States.

On an annual basis, all members of the firm are required to confirm, in writing, that they have no personal or financial relationships or holding that would impair their independence with regard to the firm's clients.

Independence is a hallmark of our profession. We encourage our staff to use professional judgment in situations where our independence could be impaired or the perception of a conflict of interest might exist. In the governmental sector, public perception is as important as professional standards. Therefore, the utmost care must be exercised by independent auditors in the performance of their duties.

Ability to Furnish the Required Services

As previously noted in the Profile of the Proposer section of this document, our firm has been in existence for over 74 years. We have provided audit services to some clients for over 30 years continually. Our firm is insured against physical loss through commercial insurance and we also carry liability insurance. The majority of our audit documentation is stored electronically, both on our office network and on each employee laptop or computer assigned to each specific job. Our office computer network is backed up on tape, so in the event of a total equipment loss, we can restore all data as soon as replacement equipment is acquired. In addition, our field laptop computers carry the same data and can be used in the event of emergency with virtually no delay in completing the required services.

GOVERNMENTAL AUDITING EXPERIENCE

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL has been practicing public accounting in Florida for 70 years. Our success over the years has been the result of a strong commitment to providing personalized quality service to our clients.

The current members of our firm have performed audits of over 1,100 community development districts, and over 2,100 audits of municipalities, counties and other governmental entities such as the City of Fort Pierce and St. Lucie County.

Our firm provides a variety of accounting, auditing, tax litigation support, and consulting services. Some of the professional accounting, auditing and management consulting services that are provided by our firm are listed below:

- Performance of annual financial and compliance audits, including Single Audits of state and federal financial assistance programs, under the provisions of the Single Audit Act, Subpart F of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), with minimal disruptions to your operations;

- Issuance of comfort letters and consent letters in conjunction with the issuance of tax-exempt debt obligations, including compiling financial data and interim period financial statement reviews;

Continuing Professional Education

All members of the governmental audit staff of our firm, and audit team members assigned to this engagement, are in compliance with the Continuing Professional Education (CPE) requirements set forth in Government Auditing Standards issued by the Comptroller General of the United States. In addition, our firm is in compliance with the applicable provisions of the Florida Statutes that require CPA's to have met certain CPE requirements prior to proposing on governmental audit engagements.

GOVERNMENTAL AUDITING EXPERIENCE (CONTINUED)

The audit team has extensive experience in performing governmental audits and is exposed to intensive and continuing concentration on these types of audits. Due to the total number of governmental audits our team performs, each member of our governmental staff must understand and be able to perform several types of governmental audits. It is our objective to provide each professional employee fifty hours or more of comprehensive continuing professional education each year. This is accomplished through attending seminars throughout Florida and is reinforced through in-house training.

Our firm has made a steadfast commitment to professional education. Our active attendance and participation in continuing professional education is a major part of our objective to obtain the most recent knowledge on issues which are of importance to our clients. We are growing on the reputation for work that our firm is providing today.

Quality Control Program

Quality control requires continuing commitment to professional excellence. **Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL** is formally dedicated to that commitment.

To ensure maintaining the standards of working excellence required by our firm, we joined the Private Companies Practice Section (PCPS) of the American Institute of Certified Public Accountants (AICPA). To be a participating member firm of this practice section, a firm must obtain an independent Peer Review of its quality control policies and procedures to ascertain the firm's compliance with existing auditing standards on the applicable engagements.

The scope of the Peer Review is comprehensive in that it specifically reviews the following quality control policies and procedures of the participating firm:

- Professional, economic, and administrative independence;
- Assignment of professional personnel to engagements;
- Consultation on technical matters;
- Supervision of engagement personnel;
- Hiring and employment of personnel;
- Professional development;
- Advancement;
- Acceptance and continuation of clients; and,
- Inspection and review system.

We believe that our commitment to the program is rewarding not only to our firm, but primarily to our clients.

The external independent Peer Review of the elements of our quality control policies and procedures performed by an independent certified public accountant, approved by the PCPS of the AICPA, provides you with the assurance that we continue to conform to standards of the profession in the conduct of our accounting and auditing practice.

GOVERNMENTAL AUDIT EXPERIENCE (CONTINUED)

Our firm is also a member of Governmental Audit Quality Center (GAQC), a voluntary membership center for CPA firms that perform governmental audits. This center promotes the quality of governmental audits.

Our firm has completed successive Peer Reviews. These reviews included a representative sample of our firm's local governmental auditing engagements. As a result of these reviews, our firm obtained an unqualified opinion on our quality control program and work procedures. On page 33 is a copy of our most recent Peer Review report. It should be noted that we received a pass rating.

Our firm has never had any disciplinary actions by state regulatory bodies or professional organizations.

As our firm performs approximately one hundred audits each year that are reviewed by federal, state or local entities, we are constantly dealing with questions from these entities about our audits. We are pleased to say that any questions that have been raised were minor issues and were easily resolved without re-issuing any reports.

Certificate of Achievement for Excellence in Financial Reporting (CAFR)

We are proud and honored to have been involved with the City of Fort Pierce and the Fort Pierce Utilities Authority when they received their first Certificates of Achievement for Excellence in Financial Reporting for the fiscal years ended September 30, 1988 and 1994, respectively. We were also instrumental in the City of Stuart receiving the award, in our first year of performing their audit, for the year ended September 30, 1999.

We also assisted St. Lucie County, Florida for the year ended September 30, 2003, in preparing their first Comprehensive Annual Financial Report, and St. Lucie County has received their Certificate of Achievement for Excellence in Financial Reporting every year since.

As continued commitment to insuring that we are providing the highest level of experience, we have had at least one employee of our firm serve on the GFOA – Special Review Committee since the mid-1980s. This committee is made up of selective Certified Public Accountants throughout the United States who have demonstrated their high level of knowledge and expertise in governmental accounting. Each committee member attends a special review meeting at the Annual GFOA Conference. At this meeting, the committee reports on the Certificate of Achievement Program's most recent results, future goals, and common reporting deficiencies.

We feel that our previous experience in assisting the City of Fort Pierce, the Fort Pierce Utilities Authority and St. Lucie County obtain their first CAFRs, and the City of Stuart in continuing to receive a CAFR and our firm's continued involvement with the GFOA, and the CAFR review committee make us a valued asset for any client in the field of governmental financial reporting.

FEE SCHEDULE

We propose the fee for our audit services described below to be \$3,900 for the years ending September 30, 2026 and 2027, \$4,100 for the year ending September 30, 2028 and \$4,200 for the years ending September 30, 2029 and 2030. In addition, if a bond issuance occurs there will be an additional fee for each additional bond. The fee is contingent upon the financial records and accounting systems of Turnbull Creek Community Development District being "audit ready" and the financial activity for the District is not materially increased. If we discover that additional preparation work or subsidiary schedules are needed, we will consult with your authorized representative. We can assist with this additional work at our standard rates should you desire.

SCOPE OF WORK TO BE PERFORMED

If selected as the District's auditors, we will perform a financial and compliance audit in accordance with Section 11.45, Florida Statutes, in order to express an opinion on an annual basis on the financial statements of Turnbull Creek Community Development District as of September 30, 2026, 2027, 2028, 2029 and 2030. The audits will be performed to the extent necessary to express an opinion on the fairness in all material respects with which the financial statements present the financial position, results of operations and changes in financial position in conformity with generally accepted accounting principles and to determine whether, for selected transactions, operations are properly conducted in accordance with legal and regulatory requirements. Reportable conditions that are also material weaknesses shall be identified as such in the Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters. Other (non-reportable) conditions discovered during the course of the audit will be reported in a separate letter to management, which will be referred to in the Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters.

Our audit will be performed in accordance with standards for financial and compliance audits contained in *Government Auditing Standards*, as well as in compliance with rules and regulations of audits of special districts as set forth by the State Auditor General in Chapter 10.550, Local Governmental Entity Audits, and other relevant federal, state and county orders, statutes, ordinances, charter, resolutions, bond covenants, Administrative Code and procedures, or rules and regulations which may pertain to the work required in the engagement.

The primary purpose of our audit will be to express an opinion on the financial statements discussed above. It should be noted that such audits are subject to the inherent risk that errors or irregularities may not be detected. However, if conditions are discovered which lead to the belief that material errors, defalcations or other irregularities may exist or if other circumstances are encountered that require extended services, we will promptly notify the appropriate individual.
